## **The Heritage Society**

Members of the Heritage Society are among the University of Hawai'i's most important supporters. Founded in February 1998, the Heritage Society honors alumni, faculty, and friends who have made provisions in their estate plans naming the University of Hawai'i Foundation, for the benefit of a school, college, or program of the ten-campus University of Hawai'i system.

To qualify for membership in the Heritage Society, a person may name the University of Hawai'i Foundation charitable beneficiary of a:

- Will, living trust, or testamentary trust
- Charitable gift annuity
- Charitable remainder trust or charitable lead trust
- Qualified retirement plan
- Life insurance policy
- Deeded residence or vacation home

Gifts that qualify for the Heritage Society create a legacy that will shape the future of the University of Hawaii. As of June 30, 2008, there are 403 members who have made this generous commitment through their estate plans.
